

**Job Title: Environmental Scientist - Senior Level**

Organization: CRG Texas Environmental Services, Inc.

Job Title: **Environmental Scientist - Senior Level**

Location: Rosenberg, Fort Bend County, Texas Area

Job Status: Full-Time

Salary: Based upon experience

Experience Level: 7-10 years' experience

Organization Type: Private Sector < 25 Employees

Application Deadline: Until filled (immediate opening)

**Description**

The **Environmental Scientist - Senior Level** will be expected to conduct and manage and operation of environmental assessments, investigations, and regulatory agency reporting as listed for each of the regulatory programs listed below, have management and peer mentoring experience, and be a "doer-seller". Additional tasks may include field work, report preparation, peer report review, and administrative duties. Some overnight travel on short notice may be required, and the individual must be physically fit to carry out field work assignments.

**Experience Requirements**

Candidates should be experienced in regulatory framework for

Texas Commission on Environmental Quality (TCEQ)

- Leaking Petroleum Storage Tank (LPST) program
- Texas Risk Reduction Program (TRRP)
- Voluntary Cleanup Programs (VCP)

Rail Road Commission of Texas (RRCTX) Rules 8, 20, and 91

- Operator Cleanup Program (OCP)
- Voluntary Cleanup Program (VCP)
- Enforcement Action Cleanup sites

Experienced activities can include: soil and groundwater assessment and remediation, environmental site assessments, storm water compliance inspections, monitoring, and maintaining associated documentation according to project requirements. Workplan and cost proposal preparation, and regulatory agency reporting.

**Education, Licensing, and Certifications Preferences**

Bachelor's degree in Environmental Science, Geology (PG is a plus), Biology, or a related science, TCEQ RCAS/CAPM licenses, and Environmental Professional Certifications and 5-10 years of experience in environmental science industry required. Project management, work plan and cost proposal preparation, client service management, and exposure to the consulting environment is preferred. Previous corrective action, construction, and remediation project experience is also preferred.

**Benefits**

We offer competitive salaries, most major holidays, vacation, sick leave, and medical, dental, and vision insurance benefits. CRG Texas is an equal opportunity employer.

How to apply: If you wish to be considered for this opportunity, please send a cover letter and a copy of a current resume.
