

Environmental Staff Scientist - Level I
CRG Texas Environmental Services – Rosenberg TX

Environmental Staff Scientist

Job Status: Full-Time

Salary: Based upon experience

required experience: Please only apply if you have 5 years of TCEQ TRRP and VCP, LPST experience.

The Environmental Staff Scientist will be expected to conduct and manage environmental assessments, investigations, and regulatory agency reporting as listed for each of the regulatory programs listed below, have multi-project management experience, and be a "doer-seller". Additional tasks may include field work, report preparation and administrative duties. Additional tasks may include: multitasking, field work, report preparation and administrative duties.

Education & Experience Requirements

Bachelor's degree in Environmental Science, Ecology, Geology (PG is a Plus) or a related science, and a minimum 5 years of experience in environmental science industry required.

Multi-Project management, work plan and cost proposal preparation, client service management, and exposure to the consulting environment are preferred. Previous construction and remediation project experience is a plus. Qualifications include an understanding of TCEQ and Railroad Commission of Texas, LPST and TRRP requirements; strong organizational and communication skills; and proficiency with MS Office and AutoCAD is a plus.

Must be able to conduct fieldwork for long hours, in sometimes severe weather conditions, including walking at least 10 miles in rugged terrain, and be able to carry equipment and supplies weighing greater than 40 pounds. Some overnight travel on short notice may be required. Some travel periodically up to 2 weeks at a time is required when needed. Individual will also be required to make them available on call after normal working hours, early hours and weekends when needed.

We offer competitive salaries, most major holidays, vacation, sick leave, and medical, dental, and vision insurance benefits. CRG Texas is an equal opportunity employer.

How to apply: If you wish to be considered for this opportunity, please send a cover letter and a copy of a current resume detailing work experience and education.
